RINNOVA ADAPTIVE

High efficiency premix boiler with condensing heat exchanger and premix burner, managed by a electronic adaptive combustion control to adapt to different kind of gas.

9:1 ratio – Nox class 6

Modulating flow pump and low consumption (ErP Ready - "A" rating)

Metallic case panels with a special painted matt finish.

Plastic free. Reduced the plastic components, like the hydraulic block and the internal parts of the packing.

7 YEAR WARRANTY

PRO-ELECTRIC

As with all the Pro-Electric boilers, our combi range can be sited anywhere in the property, as no flue is required.

This is a direct replacement for a gas combi boiler and uses the same pipework and radiators.

It provides continuous hot water with flow rates up to 7 litres per minute on the 14kw boiler, and has an integrated pump and expansion vessel.

The single phase versions of the combi boiler are ideal for smaller properties, such as flats and apartments.

In larger properties with multiple bathrooms, we recommend the larger combi boiler that uses the three phase supply (or the system boiler with a cylinder).

PRO-ELECTRIC System Boiler 6Kw **£610**

PRO-ELECTRIC System Boiler 8Kw **£645**

PRO-ELECTRIC System Boiler 12Kw **£725**

PRO-ELECTRIC System Boiler 16Kw (3 phase) **£745**

The Bluehelix HiTech RRT

Quality in its DNA

Our domestic boilers have evolved into one of most innovative, intelligent models on the market.

- Exceptionally quiet
- 7 year manufacturer's parts and labour warranty as standard, provided it is fitted with a high performance magnetic filter and is serviced annually.
- Instantaneous production of domestic hot water with a dedicated DHW plate exchanger.
- Exclusive exchanger-burner system with self-cooling door.
- Thermobalance™ heat exchanger for very high efficiency and longer life
- Can operate on natural gas and LPG without the need for conversion kits
- Class 6 NOx emissions
- Designed to simplify routine servicing and maintenance procedures.

DUO-TEC COMPACT COMBI

- 7 years parts and labour warranty
